## Website Accessibility Statement

CODI is committed to providing a website accessible to the widest possible audience, regardless of ability or technology. We are actively working to increase the accessibility and usability of our website and, in doing so, adhere to many of the available standards and guidelines. Our ongoing commitment to ensuring website accessibility to the widest possible audience entails a significant investment of resources. We believe this investment will help ensure easy and user-friendly website access.

### Accessibility on Njcodi.org

Njcodi.org makes available the [UserWay Website Accessibility Widget](#), which is powered by a dedicated accessibility server. The software allows Njcodi.org to improve its compliance with Web Content Accessibility Guidelines (WCAG 2.1).

### Enabling the Accessibility Menu

The Njcodi.org accessibility menu can be enabled either by hitting the tab key when the page first loads or by clicking the accessibility menu icon that appears on the corner of the page. After triggering the accessibility menu, please wait a moment for the accessibility menu to load in its entirety.

### Disclaimer

CODI continually seeks to enhance the accessibility of our website. We strive to provide seamless, accessible, and unhindered website access for all users.

In an ongoing effort to continually improve and remediate accessibility issues, we also regularly scan Njcodi.org with UserWay's [Accessibility Scanner](#) to identify and remediate accessibility barriers. Despite our efforts to make all pages and content on Njcodi.org fully accessible, some content may not be fully adapted to the strictest accessibility standards.
